universal playgrounds

Below are some favorite universal playgrounds. For more playgrounds in New Jersey including photographs, descriptions and a mom's commentary, visit [New Jersey Playgrounds online](#). We welcome your recommendations, too. Please email them to kids@kidsguidenj.com.

See general listings under [Outdoors-Parks & Playgrounds](#) for additional playgrounds.

Central Park of Morris County

91 Central Ave., Morris Plains. Fully accessible facilities include state-of-the-art all-access playground, Challenger League rubberized surface ballfield, two lighted regulation size in-line skating rinks, restrooms and walking trails. Park also features 5K cross country trail, fitness stations, 5-acre dog park and ball fields.

Challenger Place--Monmouth County Park

Dorbrook Recreation Area, 209 Rt. 537E, Colts Neck. Universally accessible play facility includes elevated surfaces, Braille signs and three play structures with areas where children of varied abilities can play together.

Edgemont Park All Children's Playground

20 Edgemont Rd., Montclair. Full playground offers universal access for children of all ages and abilities.

Memorial Park

713 Cumberland St., Westfield. Built by Greg Ryan, Jr. in 2004 for his Boy Scout Eagle Project, the wheelchair-accessible playground includes a sidewalk from the parking lot to a ramped playground structure with rubber surfacing, two infant, two regular and four special needs swings, one accessible picnic table and four benches.

Morris-Union Jointure Playground

340 Central Ave., New Providence. Open for use by the public on weekends and after 6pm weekdays. Playground, specially designed for children with special
