## NEW PLAYGROUNDS OPEN FOR STUDENTS

On October 26, donors joined the P.G. Chambers School community for the ribbon cutting of two newly named playgrounds.

Support for the Playground Renovation Project was led by the Dorothy B. Hersh Foundation, who made a transformative \$100,000 gift. Additional major donations were made by the ADP Foundation and Ilene and Bruce Jacobs. The Project addresses multiple shortcomings by adding more accessible equipment, replacing the safety surface, and providing shade.

Deb Hughes, a Trustee of P.G. Chambers School and a Vice President at ADP, led the ribbon cutting for the Adventure Playground.

Ilene and Bruce Jacobs, who are grandparents of a P.G. Chambers School student, led the Discovery Playground's ribbon cutting with their family.

# 11<sup>TH</sup> ANNUAL 5K RACE RAISES MORE THAN \$40,000 FOR P.G. CHAMBERS SCHOOL

On October 1, P.G. Chambers School celebrated 11 years of supporting our children and families through the annual Walk.Run.Roll.5K! The event took place at Park Avenue at Morris County and brought together more than 300 walkers, runners, and rollers to raise money for exceptional special education, early intervention, and therapy programs for the 900+ children we serve.

On race day, participants enjoyed a morning of exercise and community engagement. The event included a special carnival for the children, and all had their share of fun!
