CONGRATULATIONS TO BECKY TATE!

EARLY INTERVENTION HOLIDAY CELEBRATION

On December 2nd, P.G. Chambers School partnered with DAWNcil to host a sensory sensitive holiday celebration for more than 100 Early Intervention families from Morris and Sussex counties. Children had the opportunity to meet our sensory-friendly Santa and take pictures, as well as participate in a variety of activities like crafts, music, story reading, and more!

This is the second year that P.G. Chambers School has partnered with DAWNcil to spread holiday cheer for children and their families. Holiday Express also donated gift bags for families in attendance, and the Knights of Columbus helped with setting up the event.
