Marking Rare Disease Day at School

Our School community marked Rare Disease Day on February 29th by painting a banner with every student's handprint. The banner now hangs at the entrance to the School.

It's Read Across America Month!

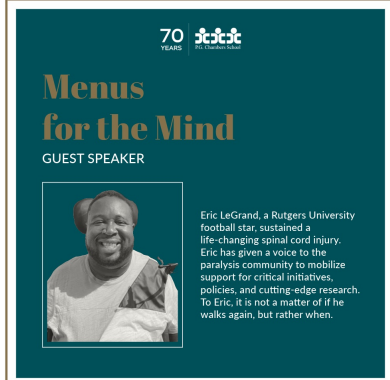

P.G. Chambers School kicked off Read Across America Month with another year of the Scholastic Book Fair! The fair was open for a week-long event where students and staff purchased their favorite books. Later, we celebrated Read Across America Spirit Week with both students and staff participating by wearing green, representing their favorite sports team, dressing like a superhero, and more.

Celebrating the Arts

This week, our students delivered outstanding performances at our Music and Arts Festival. All of our students participated in the program and delivered wonderful renditions of songs like “Alouette.” Visit our Facebook page to check out some of the performances!

Upcoming Events

On April 18th, we look forward to celebrating the children of P.G. Chambers School at our 70th Anniversary *Menus for the Mind* gala.

Tickets are selling fast for this extraordinary event, which will feature former Rutgers University football star Eric LeGrand and the Mark Rivera & Jim Nuzzo duo.

Don't miss our *Golf Classic* on May 20th at the Rockaway River Country Club in Denville, NJ.

Friends of P.G. Chambers School will come together to play golf, have fun, and most importantly, provide limitless possibilities for our children with complex disabilities.
