

# P.G. Chambers School Celebrates the Arts

Annual Report  
2023-2024

70  
YEARS

  
P.G. Chambers School

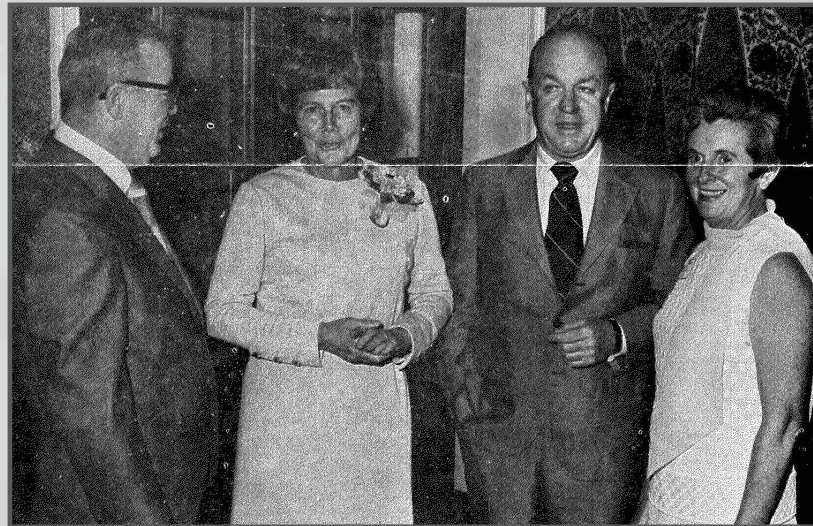

# 70 YEARS OF EXCELLENCE

1954

The Morris County Society for Crippled Children & Adults is established. The rented location on Ann Street in Morristown serves 19 children with three employees.

1971

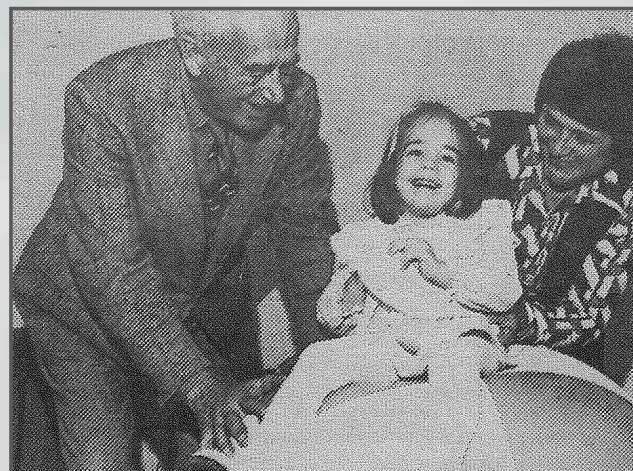

An international buffet fundraiser - the first-of-its-kind in NJ - is held at the Knoll Country Club and includes more than 125 prominent members of the NJ medical profession, educators, and political leaders, including Governor and Mrs. Cahill.

1965

We move to our first facility in Morris Plains, on land graciously donated by pharmaceutical giant, Warner Lambert.

1979

Katie Kennedy, a pre-school student, enjoys showing board member Jules Kanter and board president Betty Carroll how a ball is used in her physical therapy program.

Continued on the last page...

## A MESSAGE FROM OUR BOARD CHAIRMAN AND EXECUTIVE DIRECTOR

*Dear Friends,*

At P.G. Chambers School, discovering the unique potential within every child is at the heart of our mission. In the last year, we have focused on expanding our arts programming. In addition to therapy and education, this programming has inspired our children to reach new heights. Our students have experienced the art of animation, learned to keep the beat to music from around the world, and reveled in the musical story of Peter and the Wolf.

**Art and music often express that which cannot be put into words.** Through partnerships with MorrisArts and the New Jersey Symphony, our children have been given new and exhilarating opportunities for self-expression.

This year was a pivotal moment in our School's history as we marked our 70th anniversary. Today, P.G. Chambers School is a leader in special education and therapies serving 900 children. It is no small feat to build on this legacy, and thanks to the generous support of friends like you, we

continue to provide excellent programs and services to the children we serve. With the appointment of Bonnie Lau as our new School principal - replacing Heather Gilliland who is retiring after 19 impactful years - we remain more committed than ever to fostering an environment for our children that is rooted in excellence.

In the pages ahead, you will learn of our 70-year history and delve into the more recent arts offerings. Then and now, our work would not be possible without your support. We extend our deepest gratitude to you and look forward to our continued partnership so that we can make possibilities for every child limitless.

In gratitude,

*Daniel M. McKeever*

**Daniel McKeever**  
Chairman, Board of Trustees

*Patty Sly*

**Patty Sly**  
Executive Director

## MUSIC AND ARTS FESTIVAL SHOWCASES STUDENT EXCELLENCE

### LIGHTS, CAMERA, ACTION: STUDENTS SHINE IN STOP MOTION ANIMATION RESIDENCY

In April, MorrisArts provided a Stop Motion Animation Residency for our students. Under the guidance of the MorrisArts visiting artists and the School's assistive technology experts, the students created three enchanting stop motion videos. With each component of the project - brainstorming, creating artwork, narration recording and animation production - students were thrilled to be "making movies."

The start of the residency was marked by an incredible moment as students brainstormed

the components of their respective class themes. The K-2 class chose to explore emotions and feelings, the 3<sup>rd</sup>-5<sup>th</sup> graders focused on growing a garden, and the middle schoolers selected cooking as their theme. In total, students took more than 3,600 pictures for the project!

Thank you to artists Tracy Fox and Toni Paolillo, and to MorrisArts representative Barbara Reuther for providing this fabulous workshop for our students!

#### What is stop motion animation?

Stop motion animation is an advanced flipbook-style form of animation. It involves physically manipulating objects within individually photographed frames. As each frame is played in sequence, the technique creates the effect of objects moving independently.

The P.G. Chambers School's Spring Music and Arts Festival offered an outstanding showcase of student talent throughout two days of performances.

The festival launched with impressive performances from our middle school students, who captivated families and friends in attendance with music and dance from around the world. Highlights included a special rendition of the French classic, "Alouette," which featured students taking turns to participate in the chorus of the song. The next day, the spotlight shifted to the preschoolers, who gathered in a circle and wowed the crowd with their choreography.

In addition to the live performances, the festival included an art exhibit that transformed the gymnasium into a gallery. The walls were lined with a mix of student paintings and drawings.

The festival's success was bolstered by the strong turnout from the school community. Families and friends celebrated the students' performances and showed their support for the art exhibit. P.G. Chambers School looks forward to hosting future events that continue to showcase the creative talents of its students.

*Each class carefully chose and practiced their choreography!*

# DISCOVERING THE JOY OF MUSIC WITH THE NEW JERSEY SYMPHONY

Throughout the year, P.G. Chambers School partnered with the New Jersey Symphony to bring woodwind and percussion instrument residencies to our children’s classrooms. The residencies provided students with hands-on opportunities to play various instruments and move to music from around the world. We are grateful to the New Jersey Symphony for giving our students the chance to enjoy the power and creativity of orchestral music!

“These residencies are a unique way to exercise creativity and play while engaging various motor skills. I particularly love the opportunity to introduce the students to new styles of music from all over the world. The power of music is on full display when a student hears something new and reacts with extreme enthusiasm.”

- Greg LaRosa,  
Principal Timpanist,  
New Jersey Symphony

# STAFF RECOGNIZED FOR ACCOMPLISHMENTS AT NATIONAL AND STATE LEVELS

## RELATED SERVICE PROVIDER OF THE YEAR

In January, **Jen Jacobs**, a Senior Speech Language Pathologist, was honored as the National Related Service Provider of the Year by the National Association of Private Special Education Centers. Jen has provided excellent therapy to children with special needs for over 16 years and continues to develop and maintain her expertise in the Augmentative and Alternative Communication field.

## S.H.I.N.E EDUCATOR OF THE YEAR

In March, Child & Family Resources honored P.G. Chambers School Principal **Heather Gilliland** as the 2023 S.H.I.N.E. Educator of the Year - District Based Awardee. The award acknowledges educators who S.H.I.N.E. (Serve, Help, Inspire, Nurture, and Excel) and whose professional practice and advocacy for the profession are deemed exemplary. This honor was a beautiful way to cap off Heather’s 19 years of service to the School.

## ASAH AWARD RECOGNITIONS

In June, P.G. Chambers School professionals were recognized by our State association, ASAH, for their commitment to serving students with disabilities. **Caitlin Junio** was selected by our staff as Related Services Provider of the Year. **Carol Barron** and **Will Moore** were selected as the ASAH Region II Educator of the Year and Paraprofessional of the Year, respectively. P.G. Chambers School staff have been recognized annually by ASAH awards for more than a decade.

## COMMUNITY SUPPORT FOR P.G. CHAMBERS SCHOOL CONTINUES TO GROW

On October 6, 2023, more than 250 walkers, runners, and rollers joined P.G. Chambers School for a wonderful day in support of our students at the Walk.Run.Roll.5K! The event helped to raise more than \$40,000 for exceptional special education, early intervention, and therapy programs for the 900 children we serve.

The Menu for the Mind, held on April 18, 2024, brought together hundreds of community supporters who generously donated more than \$300,000 for programs at P.G. Chambers School. This year, the signature fundraising event featured guest speaker and former Rutgers University football star Eric LeGrand.

Weeks later, on May 20, 2024, P.G. Chambers School hosted its Golf Classic at Rockaway River Country Club. One hundred twenty golfers joined us for the fun-filled outing that raised more than \$85,000. We look forward to hosting again next year!

*P.G. Chambers School is grateful to all the donors, families, staff, sponsors, and volunteers who help us fulfill our mission year after year.*

All funds raised through events support our children's mobility, communication, and educational needs and allow us to continue our work of discovering the unique potential within every child.

1990

Ruth Watts - the organization's first volunteer and founder and president of the Auxiliary - accepts honors from the New Jersey General Assembly presented by Assemblyman Robert Martin.

1993

The first Capital Campaign allows the Children's Center for Therapy and Learning to move to a 22,000 square-foot building, our current location in Cedar Knolls.

2004

A second Capital Campaign allows us to build an addition, doubling school space. Our name is changed to P.G. Chambers School, to honor long-time trustee and generous benefactor, Patti Chambers.

2006

Construction of the P.G. Chambers School's Performing Arts Pavilion, in memory of student Jake Haskel, begins in the Spring.

2023

Through generous support from donors, two newly renovated playgrounds open at the Cedar Knolls building that add more accessible equipment for our students.

Cedar Knolls, NJ 07927

## OUR MISSION

The mission of P.G. Chambers School is to be a leader in the education and development of children with disabilities, increasing the children's confidence in their individual abilities, preparing them to engage in the community, and expanding their capacity to lead full, productive lives.
